

LOCALS AND PERSONALS

John Ives of Des Moines, attended business in the county seat Thursday.

Mrs. Hattie Carpenter of near Guy, attended to business in the city this week.

J. D. Johnson and son, Merle, of Thomas, were business visitors in the city Thursday.

J. H. Kilburn and family of near Mt. Dora, spent New Year's day in the city the guests of relatives.

Mrs. Walter Johnson is reported seriously ill. Relatives were summoned Friday, but it is now believed that she will recover.

Jacobo Pacheco of near Ateneio, spent several days in the city this week trading and looking after business.

J. W. Thompson of the Guy neighborhood, was a business visitor in the county seat Tuesday and Wednesday.

LADIES—We invite you to inspect our line of Harmony Toilet Articles. None better. The Rexall Store, City Drug Store.

Tim Vigil of near Bueyeros, our old friend of drug store fame, spent the week in the city looking after business and having a good time. And Tim knows how to have a good time.

Mr. and Mrs. G. G. Grauville and little daughter, Glenna, returned Friday noon from Denver, where they spent the Christmas holidays with friends and relatives.

"Bill" Jenkins, the carpenter, at 7:30 New Year's morning, started 1915 right for himself and The News by sending over one dollar on subscription.

Attorney O. P. Easterwood attended to business before the State Supreme Court at Santa Fe the first of the week. He returned Wednesday noon.

C. R. Ashell of south of town, was a business visitor in the city the first of the week. While here he called at the News office and had his name placed on our large subscription list.

Hon. Serapio Miera, representative-elect, spent several days in the city this week. He left Thursday morning for home, accompanied by J. R. Kevin of this city, who went to pay a visit to his large ranch in the southern part of the county.

W. M. Cochran of near Thomas, attended to business in the city Wednesday. "Bill" is an old friend of The News man, and of course had his name added to his subscription list. A business man who doesn't advertise in the News certainly imitates the unprogressive.

Mr. and Mrs. Morris C. Johnson and children, and Gov. and Mrs. C. N. Burke, parents of Mrs. Johnson, were guests last Sunday at the Abbott ranch near Mt. Dora. They report an enjoyable time. Gov. and Mrs. Burke left Thursday for their home in Rosewell.

Hon. G. C. Smith, Attorneys Joseph Gill and Frank O. Blue, were in the southern part of the county the first taking testimony in the legislative contest proceedings. They report every allegation made by the defeated and repudiated republican candidates in the southern precincts, disproved and groundless. That is not news, everybody knew it before.

J. H. Bearup, one of the progressive citizens of the Guy country, spent several days in the city this week looking after business and trading. While here he made our office a pleasant visit and had his name added to our subscription list.

Mr. Bearup is a socialist, but we are pleased to say that he is not of the prejudiced, narrow class so often found among members of that political organization. He is the kind of man that gives socialism a respectable standing.

J. A. Arnhart of the Sedan country was a business visitor in the city the first of the week.

Patterson

Christmas passed off very quiet in this neighborhood, and most every one resolved to turn over a new leaf to start the new year.

A large crowd attended the Christmas entertainment at the schoolhouse Christmas Eve. A good program was rendered, at the close of which "Old Santa" made his appearance to distribute the gifts from the tree.

J. E. Scott and Glen Kost made a business trip to Clayton Thursday.

A. T. Atchley and family spent Christmas with Will Atchley and family.

Mrs. Marie Ward, the teacher, is spending her vacation with her parents at Mt. Dora.

Glenn Kost and family, J. E. Scott and family, Ed Schiffer and Howard Hanes, ate Christmas dinner with Mr. and Mrs. Will Estes.

Several from the Patterson neighborhood attended the entertainment and dance at Pasamonte Christmas night.

Chas. Wilkerson is drilling a well for Gus Bernhardt.

Jess Beecher has just completed a fine rock dwelling, which greatly increases the looks of his place.

Howard Coulter spent Christmas with his sister, Mrs. J. K. Patterson. The Patterson Bachelors' Club, composed of Harry Patterson, Howard Coulter, Hiram Livingston, and Howard Hanes, meets regularly each day since the holiday season began.

J. R. Patterson and family, and Delbert Patterson, called Christmas evening at the home of Glenn Kost.

Charley Peery completed a large cattle shed last week.

Ed Schiffer of near Pasamonte, was in this community last Friday on business.

NERVOUS PEOPLE

are usually thin and easily worried, sleep does not refresh and the system gets weaker and weaker.

Scott's Emulsion corrects nervousness by force of nourishment—it feeds the nerve centres by distributing energy and power all over the body.

Don't resort to alcoholic mixtures or drug concoctions.

Get SCOTT'S EMULSION for your nerves—nothing equals or compares with it, but insist on the genuine SCOTT'S.

EVERY DRUGGIST HAS IT.

Cuates

The weather at this writing is certainly fine. Have had very little snow or cold weather so far. Hats off to Union county, please.

The writer had the pleasure of greeting Santa Claus twice Christmas eve. He visited first at the Arizona Ranch school, and second at the Lane schoolhouse where he met with a fine program conducted by Miss Ethel Cunningham, a nice Christmas tree and a fine treat.

W. T. Stone is reported very poorly at this time. He has the sympathy of his many friends.

C. W. Wood of Cuates, is still hauling in his feed crop. It doesn't look as if he will get through this winter. Must have had a poor crop?

Mr. and Mrs. S. R. Hayes, Mr. and Mrs. C. W. Sprague and son, Mr. Ira Wood and Miss Sylvia Stone, took Christmas dinner with C. E. Stone and family at the Arizona ranch. All left at a late hour, and report having a fine time.

J. W. Stone made a business trip to Clayton Monday of this week.

James B. Howard of Cuates, who was taken to Oklahoma for medical aid, is reported very poorly. He is suffering from an abscess of the liver.

Clyde Huff from Downs, Kansas, has arrived with his family to make this their home. He is very much pleased with their location.

Please, Mr. Editor, give us a little moisture along with the beautiful sunshine. Union county farmers will do the rest. All indications are good for 1915 crops.

Its coming, Dear Cuates. We have put in an order with our local weather man for a big rain or snow for your neighborhood. Of course we could have ordered it from Denver or Kansas City or Chicago, but we like to do business with home industries. Be patient and your wish will be gratified.—Editor.

Mr. and Mrs. C. W. Sprague and little son visited at the home of Mr. Bearup Sunday, and all went skating on the lake. Among the party was Jimmie Simpson, who accidentally fell on the ice, doing some damage to his "little" nose.

S. R. Hayes and wife will leave January 1st for their old home in Indiana, where they will visit a short while with friends and relatives.

How to Cure a La Grippe Cough

"Coughs that hang on" demand treatment. Stop and think! Reason and common sense tell you that it is folly to "grin" and "bear it." Those racking la grippe coughs that wrench the body and cause soreness and pain in the lungs yield more quickly to Foley's Honey and Tar than to any other treatment. Forty years' record of successes prove this. For coughs, colds, croup and other distressing ailments of throat, chest, lungs, larynx and bronchial tubes, can find nothing that will compare with this reliable remedy. City Drug Store.

Big Spring

Mr. James Wait and family have traded their place and will remove from this neighborhood.

A big dance and box supper was held at the Big Spring schoolhouse Wednesday night.

There was dance at J. B. Herald's Christmas day and a dance that night.

L. E. Runyan left the first of the week for Marion, Kansas, to look after business and visit friends.

FOR SALE OR TRADE

One well drilling machine and power, complete and ready for use; also about twenty head fine horses and mares. Will sell for cash or trade for cattle or land. See or write.

THINGS ALL OUGHT TO KNOW

As Christian Bible Students—The Easy Satisfactory Proof of "Why God Permits Evil."

One of the questions which comes to nearly every thinking mind today is, "Why does God permit evil?" As we look about us in the world we observe that it is filled with sorrow and trouble, sickness and pain and every trial we could enumerate, and we cannot help wondering WHY GOD ALLOWS IT. We realize that He is almighty and that He could prevent it if He wished. We read in His Word that He is more willing to do for His children than are earthly parents for theirs, and we know how much that means; yet of countless times that those who try to do and live right have the most trouble. This question is made very clear in a book entitled, "The Divine Plan of the Ages." Every statement is backed by Scripture, and shows that while God does not sanction evil HE HAS HAD A PURPOSE IN ALLOWING SIN AND DEATH TO REIGN THESE SIX THOUSAND YEARS. This and many other subjects of deep interest to all of God's people are discussed fully and in language easy of comprehension.
